

LEVEL 3

CORE CYCLING SKILLS

2017

Level 3 Course Outline

Objective

This course is designed for children of the general age (9-14) who are required to ride on the road, and/or adults who would like to learn traffic handling skills and the rules of the road. At the end of the course, students should feel comfortable riding on residential and some urban streets. The course will be conducted online and on the bicycle.

* Students should have completed Level 2 or be able to demonstrate their ability/skills to the instructor on the first day of class. An online requirement must be completed ahead of time and presented to the instructor.
